Cheerio Mates!

Goodbye and we hope you had a great stay.

Say, "Alexa, Going Home" - When you are ready to leave

Things to do before you leave:

Strip sheets from the bed you used.

Wash sheets, pillow cases and towels.

Allow enough time to place them in the dryer and start it.

Fireplace turned to 'Pilot'.

Bag & take out trash.

Food in bear trash can; Non-food trash in the trash box on the porch

Hand wash dishes or start the dishwasher.

Clean out your fridge stuffs.

Turn off lights.

**Clean what you used...
Sinks, Toilets, Showers**

Lock 3 smart doors or ALEXA, Going Out.

Basically, just leave it as you found it for the next folks

**DON'T LET THE DOOR HIT YA
WHERE THE GOOD LORD
SPLIT YA**

Text us when you leave and let us know if anything needs to be done or fixed. Things happen, just let us know if something happened. Also, if anything would have made your stay better, please honestly let us know.

There is no check out time for friends and family. If you don't have time to OR don't want to clean, we just ask that you pay the \$200 cleaning fee (I know right?) they charge us.

Thanks and Love You - Heather and Lance
